### SUMMARY

#### Synopsis of Bill

Senate Bill 369 appropriates \$200 thousand from the general fund to department of Cultural Affairs for expenditure in FY07 and FY08 for the purpose of planning and implementing the Santa Fe International Folk Art Market.

### FISCAL IMPLICATIONS

The appropriation of \$200 thousand contained in this bill is a nonrecurring expense to the General Fund. Any unexpended or unencumbered balance remaining at the end of FY08 shall revert to the General Fund.

## **SIGNIFICANT ISSUES**

The FY08 executive budget recommendation includes \$36.9 for an International Folk Art Market coordinator and a First Lady initiative to provide \$100.0 to promote the Folk Art Market.

The Museum of International Folk Art has coordinated use of Milner Plaza for the annual Market as well as security needed during the Market. Museum staff members participate in the evaluation and selection of participating artists, and assist with logistical and financial aspects.

## **PERFORMANCE IMPLICATIONS**

If enacted, the LFC recommends that the Cultural Affairs department submit a plan for program evaluation with specific program goals and criteria for assessing the effectiveness and provide suggested outputs, outcomes and performance measures to evaluate the performance of state government programs as prescribed in the Accountability in Government Act. Visitation to the Museum of International Folk Art during Market weekend increases appreciably. Possible suggestions for performance measures include an attendance or attendance revenue measure.

## **ADMINISTRATIVE IMPLICATIONS**

Implementation would be a combined effort of Cultural Affairs department staff and Market staff.

## **DUPLICATION**

Senate Bill 369 duplicates House Bill 17.

## **OTHER SUBSTANTIVE ISSUES**

The financial arrangements among members of the consortium comprising the Santa Fe International Folk Art Market were previously negotiated. A 3-year memorandum of understanding between the Market and the Department of Cultural Affairs will expire in July 2007 and a new one will be negotiated prior to that date, specifying relationships, use of facilities, mutual responsibilities.

## **WHAT WILL BE THE CONSEQUENCES OF NOT ENACTING THIS BILL**

If this legislation is not enacted, the Santa Fe International Folk Art Market would not have access to state funding.

## **POSSIBLE QUESTIONS**

Would passage of this act possibility violate the anti-donation clause of the New Mexico Constitution, Article IV., Section 31, Appropriations for Charitable, Educational, etc. purposes?
